

GO ALL THE WAY WITH TEAM ROBERTS RAT PACK

We have put together a schedule that will accommodate all tastes in riding the full Triumph range of Motorcycles. Whether it's learning to get the most from your Triumph, having a morning or evening blast when the roads are quiet, a weekend touring or just joining like minded rider's with an interest in riding their bikes.

We have included the Triumph National organised runs – you will have to contact Triumph for full details and availability, these events usually involve a charge to participate – where our wonderful ride outs don't even involve you having to buy us a coffee.....

If you have any suggestions or idea's concerning anything to do with the Team Roberts RAT pack then let us know.
